Dear Mr. Boehmer:

Enclosed please find the Hazard Ranking System (HRS) package which you requested at the Remedial Investigation/Feasibility Study scoping meeting held on August 20, 1986 at Passaic Town Hall. The HRS is used to rank sites for their inclusion on the Superfund National Priority List.

If you should have any further questions, please feel free to contact Mr. Nigel Robinson, Project Officer at (212) 264-8674.

Sincerely yours,

Raymond Basso, Chief
